

## Session 2

### Old Testament Survey Course

Creation: God revealed in His work.  
Reasons for Creation.

Days of Creation.

Levels of creatures

Creation of Man : Clay or dust of the earth  
Image and likeness

Attributes of Man: Intellect  
Free will  
Dominion

Instructions to Adam and Eve

Creation was all good : each day was good.

Adam and Eve

Garden of Eden

Fellowship with God

Trust of God for all things

Test of obedience – the tree.

Satan as the serpent:

Attack on the Word

Appeal to pride – be like gods, independent.

Free will

Original sin:

Initial consequences:

Man is cursed – work, sweat, pain of childbirth

Earth is cursed

Expelled from the garden

Overall consequences:

Separation from God – loss of fellowship/grace

Unhappiness, destruction, conflict, suffering.

Death over all the universe and mankind.

We stand CONDEMNED and CURSED!

The Promise: the Proto-Evangelion, the proto Gospel.

God solves the problem...there is no other solution!
